SKATING CLUB NEWS

Four final winners at the Silver Skates Derby in Boston Garden on Sunday afternoon gave Wilmington an improvement of 100% over its 1958 production of two champions. Drew O'Connell (Mitey Atom), Lennie Galvin (Midget), Dotty Hersom (Midget), and Jeff Williamson (Juvenile) brought home first place trophies for their efforts against the largest group of competitors ever assembled in the 25 year history of the event. Over 1300 entrants competed in the 146 event program which lasted from 9:30 in the morning until 6:05 p.m. and included a Boston Celtics-Cincinnati Royals basketball game, figure skating, comedy acts, and the all-important skating races.

Fifteen local skaters were successful in the early heats, semi-finals, and final races. Mike Weinberg won his Junior Boys heat in a very respectable 46.4 seconds. Suzanne Rooney, who showed a great deal of promise for the future during Saturday's and Sunday's meets won both her initial heat and her semi-final before being eliminated. Valerie Camber was second in her heat. Local girls swept all positions in the Midget Girls final in this order: Dotty Hersom, Nancy Weinberg, Janet Perry, Lennie Galvin and Leo O'Connell were 1-2 in the Midget Boys final, and David O'Connell picked up a trophy for third place among the Mitey Atoms. Celia Spear (Senior Women), Bob Hill (Intermediate Boys), and Pat Fiske (Juvenile Girls) were all third-place finishers in their final events, while Chet Hooper came in second among Juvenile Boys.

In addition to all of these individual accomplishments, the Wilmington Skating Club captured the mythical but much sought team award by garnering 39 total points to the Bay State Clubs, 31.

WILMINGTON WOMENS CLUB

The Wilmington Women's Club will hold their next meeting on February 19. Coffee will be served at 1 p.m., followed by a business meeting. The Ways and Means Committee will conduct a food sale at this meeting and will very much appreciate any donations of food from the members. After the business meeting there will be a very timely talk on 'The Human Side of the U.N.' by a speaker from the United Nations Information Center.

T.M. CHARTER PROTEST MEETING

CITIZENS MEET AT HIGH SCHOOL

One hundred and two citizens of Wilmington attended the open hearing of the town manager charter Revision Committee at the High School Gymnasium last Sunday.

Sponsored by the Wilmington Taxpayers Association, and presided over by Edward Curtis, chairman, the hearing had Charles McGlue, attorney for the speaker of the House of Representatives and former State Democrat Committee chairman give an analysis of the town-city manager form of Government.

Speaking strongly against the town manager government, Mr. McGlue stated that the rights of the citizen were being taken away and that citizen participation in civic affairs is discouraged.

He noted that Wilmington's share of the distribution from the State was \$123,000.00 in 1958. This amount was based on our 1945 assessed valuation formulas which was only 4 million dollars. At present our assessed valuation is 19 million 333 thousand dollars, an increase of 15 million dollars. By using present valuations for our tax formula, our return tax check from state distribution would be in excess of \$400,000.

(Editor's note--2 years ago, our then T.M. Courtney decided against the new formula as he felt that in the long run, our benefits would be negated by the increased cost the town would then be assessed.) Mr. McGlue stated that he thought our T.M. should take advantage of this formula and that in doing so, could save some 12 to 14 dollars on this years tax rate.

He mentioned that various large town which had T.M. form of government are now trying to oust it. Quoting from an editorial out of a Saugus paper, he read that one Selectman who was a strong proponent for town manager some years ago, had completely reversed his stand and wants T.M. abolished. Saugus has had ten T.M.s in ten years, while Wilmington has three in seven years.

The revisions that were recommended were mainly taken

from the report on T.M. for the town of Brookline. Brookline, largest township in the Commonwealth, has just rejected T.M. form of Government, feeling that the charter, in the whole was too dictatorial and too authoritative for one man.

A question and answer period then followed, the main subject being the type of government to be proposed in place of T.M. should it be revoked this year.

Mr. Curtis informed those present that should T.M. charter be revoked, it would be one year before it goes out of force, still retaining the present T.M. and Board of Selectmen. He also said that the Executive Secretary plan would be similar to T.M. with the exception that the powers to appoint, hire and fire committees and boards will be in the hands of their duly elected representatives, the Board of Selectmen. When pointed out that almost the same situation was in effect here, that the present Board of Selectmen had appointed our present T.M., Mr. Curtis stated that under the proposed revision where Selectmen were elected yearly, the people who were dissatisfied could vote the entire board out if desiring to.

Among those present were Selectmen Frank Hagerty and Don Kidder, Atty Fred Corum and Planning Board Chairman Daniel Gillis.

The meeting adjourned at 5:45 p.m.

TALK OF THE TOWN

By HANK FILIPPONE

I note, with some amusement, the fact that our town manager says a \$2.00 decrease in our tax rate is possible this year. In view of his present popularity, he has to say something that is pleasing to the citizen. After 5 years of long range planning, rezoning, revaluation and reappraisal, water and street betterments, subdivision controls and (of course-gravel regulations) our homes have increased almost double in assessed valuations, and the taxpayer has an additional \$20.00 on his tax rate. Now we're being told that a \$2.00 decrease is possible. Why not? We sure parlayed a few million dollars into a two buck payoff.

At no time did T.M. Calabrese ever tell a reporter from this paper that he could see the maintenance records of the police cruisers. Calabrese stated last week that he recalled the paperwork after telling this paper's reporter that they were being sent in to Boston to Town Counsel Buzzell. He also said (so junior reports) that he told the reporter that he could see the records on Monday. The reporter was never-repeat-never told any such thing.

Speaking on Police Cruisers-do you know that the two cruisers have to get a daily servicing at the place from which they were purchased, on orders of the T.M.

A Termite Ball is being held at Tonello's Supper Club, next Wednesday evening at 8:00. Buffet lunch and dancing to follow. The tickets read 'costume' and I wonder what the leading termites in town will wear.

Interesting observation from one of our citizens. 'A house organ can be pumped by many citizens at one time-a mouth organ can only be blown by one'. Pretty cute, I thought.

I've watched the hats that Chief Paul Lynch wears, I've seen the collection of hats in Louie's Oil, but the danglest hats I've seen are the ones worn by Tom Connelly at the Station in the square. That plaid Tam (or Beret) was the clincher, Tom!

Renee Larivee, candidate for the Board of Selectmen, can't wait till the cast comes off his wrist and to get out driving again!

Our new? dog pound doesn't seem as though it will cost the town much. According to Calabrese, after the shed is made ready (partitioned, windowed, and space heater) it will only cost some \$15.00 or \$20.00 a month. A far cry from \$75.00 a month--so he says. The fuel that will be consumed in the space heater will definitely cost \$15.00 a month, not to mention that our fire department will not issue a permit for the space heater until a chimney is built. We are still paying a dollar a day a dog to Woburn.

Another pipe dream, junior reported that Calabrese stated that a new highway garage with a mechanic on duty is probable. We will then be able to buy motor oil for 16¢ a quart. Even mineral oil comes high these days--try it!

Pearl Hersom said that winning the women's speed skating race at the Championship Meet two weeks ago was a cinch, compared to the Polka she danced at the Lion's Ball last year.

If the candidates seeking office this year don't make some noise soon, the incumbents will walk in easily.

THINGS TO WONDER ABOUT---if 1000 signatures on a petition are indicative of the feelings of the town on T.M.--Whenever Paul Lynch will get his new Police Station, or IF--why Fairmeadow Road is still unfinished--if a certain Shawsheen Road resident will carry out his statement to provide a canoe for ferrying purposes across the corners of Shawsheen Road and Shawsheen Ave.--Why an out of town concern did the borings in the area where the town voted to put the new police station, when we have local men in the business--What the Planning Board is planning now--why our own young men couldn't earn the \$25.00 a day paid to out of town assessors--if the town really knows how efficient our police and fire departments are--if the town knows how many lives our fire department has saved through their efficiency in first aid--that our civil defense agency is rated as one of the top C.D.s in the state (note-if Renee Larivee does the same job as Selectman as he has done in Civil Defense, a vote for him in March will not be wasted)---why the town of Tewksbury is still providing the Nichols Street area with water, after it was so certain that the water would be shut off last June---a Veterans Memorial would look nice in the Town Common, why don't the Veterans Organizations start some work on the project.

In the response to many requests from citizens as to where the new dump is--bear right on Rte 38--junction of 129 going south and they can pick up the trail from there!

There are numerous examples in the history of the world where the seeds of greatness are bestowed upon men regardless of race, class, color, or creed. The manner in which these favored people measure up to and execute the responsibilities of their birthright is the true measure of their greatness.

It is notable, in the history of our country, that the impact of one particular man--Abraham Lincoln--increases rather than diminishes with the passage of time. His life is an example of what generally is termed the great American story--the opportunity afforded any citizen to rise from poverty to riches, from obscurity to fame.

He was born in a lowly backwoods cabin with greatness as his birthright. He overcame handicaps, which would have burdened and crushed lesser men, by laboring to secure an education which prepared him for the legal profession. This enabled him to grasp the opportunity to enter politics, a step which led eventually to the highest trust this nation can place in any one of its citizens--the presidency of the United States.

He was a man, humble in spirit, who had the courage of his beliefs to act "with firmness in the right as God gives us to see the right", even in the difficult task of pitting brother against brother in a cruel civil war. He had a prophetic vision of liberty and justice for all men of all races, colors, and creeds--a belief which stirred and continues to stir and to influence mankind throughout the world.

This great American is honored in many ways in many places. His nation has honored him with a magnificent yet simple memorial in Washington, D.C. It is eloquent and enduring evidence of the admiration and love for him enshrined in the hearts not only of his countrymen but also of people throughout the world. On this, the 150th anniversary of his birth, it can be said of him that he was a man who truly loved his fellowman and that, in him, the quality of mercy was not strained.

Richard Adams of Nashua Rd., Billerica was traveling east on Shawsheen Ave. when he was struck by the vehicle being operated by William F. Jordan, Jr. of Chestnut Ave., Chelmsford.

The Jordan vehicle went into a skid on the icy pavement, struck Mr. Adams' car, pushing it over the retaining wall at the bridge.

Both vehicles were slightly damaged, but luckily there were no personal injuries involved.

Officer Ellsworth investigated the incident.

NEW JUNIOR ROTARIANS

Principal Bernard McMahon, of the Wilmington High School, presented David G. Hartwell, 114 Butters Row, and Earl F. Hubbard, Jr., Hardin St., as the two new Junior Rotarians, at the Rotary Club luncheon

Mrs. Helen Witham, Saxford Street, shown using the form that has made her the high scorer in the St. Thomas' Womens Bowling league.

last week. Both boys are top students in the senior class.

Prior to the presentation of Junior Rotarians, President Henry Foster opened the meeting with the customary flag-honoring ceremonies, followed by the invocation by Dick Harding.

Visiting Rotarians and guests were introduced by Fred Cain. Visiting from Reading were Rotarians Will Perkins, Cal Wood and Earl Van Horn. Guests of Rotarians were Charlie Webster (Herb Pickering), George Cummings (Ralph Swanson), George T. Luby (Ed Osberg), Garnet Mills (Henry Foster) and Harry Saddler (John Elias).

President Foster announced Henry Porter's residence as the next "fireside meeting place" (Feb. 18 at 8 p.m.). Al Malone is planning to announce the speaker for the joint Lions-Rotary meeting at the next Rotary meeting. John Nitche, who has been confined to the Choate Memorial Hospital in Woburn, was honored last week by the Woburn Rotary Club

In addition to their regular weekly meeting, the Woburn club held a special meeting at the hospital so that John could be in attendance. Fred Cain announced that with only one absentee during the month of January, the Wilmington Club expects to lead the District in attendance.

Guest speaker for the luncheon, introduced by International Service Committee Chairman Ed Osberg, was Mr. U.L. Fitzrandolf, Director of Public Relations for the Godfrey L. Cabot Corporation, manufacturers of carbon black. Mr. Fitzrandolf outlined his recent trip to the Soviet Union with a party of twenty American industrialists. His talk was "up-to-the-minute" and "down-to-earth". Mr. Fitzrandolf made two points quite clear: (1) everybody (men and women alike) is expected to work and to work hard in the U.S.S.R. and (2) despite the hard work, everybody, more or less, is sold on their (communist) way of life.

Life in the Pacific, the day will find Christians in prayer in 144 countries, ending at St. Lawrence Island, Alaska, 24 hours later.

In the Wilmington churches there will be three prayer shifts. Women from the Baptist church take half-hour turns in their own homes at having devotions and prayer from twelve midnight to 8 a.m., Feb. 13. The Methodist ladies divide up the hours from 8 a.m. to 4 p.m. and those from the Congregational church will take from 4 p.m. to 12 midnight. Ladies wishing to participate in the prayer-chain, can arrange a time by calling Mrs. Paul Delaney (Methodist), OL-8-4069; Mrs. Gaius Harmon (Congregational) OL-8-2905; or Mrs. Eliot Castillo (Baptist), OL-8-8763.

In addition to the prayer-chain, there will be a 10 a.m. service in the Baptist Church, with ladies from the three churches participating. Baby sitters will be provided for small children.

The service this year was composed by Christian women from Egypt, representing Coptic Orthodox, Anglican, Evangelical churches, and the YWCA; also the French School of the Sacred Heart, St. Marys English School, and the American School for girls in Cairo. St. Mark founded the Coptic Church in Egypt.

Based on the theme, "Lord, I Believe," the following Bible chapters are especially mentioned in the service, and for those who would like to, these sections are suggested for use along with customary devotional books during the individuals prayer time.

John, Ch. 9-Jesus heals the man blind from birth.

Luke, Ch. 22- Chief priest, and scribes conspire to kill Christ and Peter denies him thrice.

John, Ch. 11-Raising of Lazarus from the dead after four days.

Matthew, Ch. 26-Woman poured precious ointment on Christ's head as he sat at meat, Last Supper, Prayer of Christ in Gethsemane, all the Disciples forsook him and fled, Peter denies Christ thrice as foretold.

The Lord will bless those who are faithful in reading his word. Also prayer is needed for Missionaries and Christian friends around the world.

An offering will be taken at the service, so that the day "carries on all year" to aid migrants, farmers and Indians in our country, and foreign missions education for Christian leadership, Christian literature, childrens projects, Christian broadcasting, and help to foreign students.

It is hoped that as many as possible will participate in the prayer-chain and morning service on February 13, as it has brought spiritual blessing in times past.

FIRST BAPTIST CHURCH TO SPONSOR BIBLE STUDY SERIES

The First Baptist Church of Wilmington will sponsor a special Bible-study series each Tuesday evening during Lent, beginning this coming Tuesday, Feb. 17 at 7:30 p.m.

Mr. William Lane of the New Testament department of Gordon Divinity School, Beverly Farms, Mass. who will conduct the series will also be the guest speaker at the 7:30 evening service this Sunday, Feb. 15 and his message will be "The Cost of a Single Flaw". In addition, the church is happy to announce that the Gordon College Male quartet will provide special music for the service.

It is indeed the church's great privilege to have the

services of Mr. Lane once again. Last year he conducted a series of Evangelistic services for the church. Since that time, he has joined the faculty of Gordon Divinity School. He is presently writing his doctoral thesis at Harvard Divinity School where he passed his written and oral exams "with distinction" in the field of the New Testament and is the pastor of the Courtland St. Congregational Church in Everett.

A brilliant student, Mr. Lane has consistently received "A" grade in all of his academic training which includes study-

ing for degrees at Wesleyan Univ. Conn., Gordon Divinity School, Westminster Theological Seminary, Philadelphia and Harvard Divinity School. Undoubtedly he is one of the outstanding Evangelical scholars of today.

The Bible-study series which he will conduct will be the study of the Book of Ephesians. He will cover a chapter each evening. The programs will consist of congregational song service, special music by outstanding musicians, the Bible study and will be concluded by a question and answer period.

NEWS from Cuba has been so confusing, so far, that ATTY. CHARLES H. McGLUE, big wheel in the Democratic ranks hereabouts, coined a phrase: "Behind the Sugar Curtain."

WILMINGTON SKATING CARNIVAL

Wilmington's annual Skating Carnival, sponsored by the Recreation Commission in cooperation with the Wilmington Skating Club, drew throngs of enthusiastic youngsters and oldsters alike to the Skating Club rink on Chestnut Street on Saturday afternoon. Perfect skating weather and a glass-like surface of ice became the setting for an afternoon of races for all ages, from the smallest tot to the most young in-heart grandparent.

Trophies were provided for the first three finishers in each class and Wilmington's 1959 champions included: Pee-Wee Boys: Drew O'Connell, David O'Connell, Kevin Lynch; Pee-Wee Girls: Elyse Woller, Celia Pushee, Polly Currier; Midget Boys: Leo O'Connell III, Danny O'Connell, Ray Lepore; Midget Girls: Nancy Hersom, Janet Perry, Marie Hersom; Juvenile Boys: Lennie Galvin, Chet Hooper, Lou Cronis; Juvenile Girls: Dotty Hersom, Joyce Chinn, Kathleen Pushee; Junior Boys: Jeff Williamson, Dennis Rooney, David Babine; Junior Girls: Pat Fiske, Elaine Hersom, Loretta Plummer; Senior Men: Leo Barry, Carl Marcy, Ernie Moegelin; Senior Ladies: Dot Fiske, Pearl Hersom, Jeanne Waugh.

Both the Recreation Commission and the Wilmington Skating Club have discussed plans for expanding interest in speed skating next year. One possibility is that two sets of races, one for registered skaters and one for unregistered skaters, may be run next year, similar to the Silver Skates program. However, nothing is definite and this proposal is still under discussion.

Mr. Larry Cushing of the Recreation Commission expressed his appreciation to President Leo O'Connell, Sr., of the Wilmington Skating Club for the usual fine cooperation rendered by the members of the club. Mr. O'Connell's staff included Mr. Larry Fiske, Mr. Vut Galka, Mr. and Mrs. Carl Backman, Mr. Ed Bradley, Mr. John Perry, Mrs. Bernie Moegelin, Mr. and Mrs. Tom Galvin, Mr. and Mrs. Harold Collins, and Mr. and Mrs. John Waugh.

'EMBRACING OUR ENEMIES' LENTEN SERMON AT METHODIST CHURCH

The Rev. Richard E. Harding will preach on the topic; 'Embracing Our Enemies' during the service of worship on Sunday, Feb. 15 at 10:30 a.m. This will be the first in a series of Lenten sermons based on the theme: 'Modern Meaning of the Master's Message'. The message will be based on Jesus words 'Love your enemies...' and the book 'Strides Toward Freedom' by Martin Luther King which is the vital account of how the principle of non-violence won a major victory in the bus boycott in Montgomery, Alabama.

Mr. Harding will be assisted in the service of worship by Rev. Richard McFarland, Student pastor, and Rev. Woodie White, a student at Boston University School of Theology, who grew up in Harlem and received his college education in Payne College, a negro school in Georgia.

The Senior Choir under the leadership of Mrs. W.T. Staveley will sing 'O Brother Man.' During the hour of worship a group of new members will be received into the fellowship of the church. Parents are again reminded that a nursery class for small children is provided during the church and that church school classes for all children up through the third grades are also in session at that time.

The D.A.V. Auxiliary has asked the public for donations of clothing for the V.A. Hospitals.

The response has really been disappointing, but it is possible that the public has forgotten their plea.

As a reminder, the D.A.V. Auxiliary is seeking clean, pressed clothing for both men and women in the veterans hospitals. The veterans can also use slippers that are in good condition.

They are depending on you, so don't disappoint them!

If you have any of these items, please contact Mrs. Annie Meade at OL8-2840, or any D.A.V. member you might know.

This coming Saturday evening is the night to take your best girl to the Legion Hall for dinner.

They are having a New England Boiled Dinner, and a large crowd is expected.

Donations are \$1.00 and dancing will follow the dinner. Get your tickets early! Call Frank Tebeau at OL8-2890 or Commander Eugene Sullivan at OL8-3818.

The 4-H Vigilantes held their meeting on Saturday, Feb. 7, at the home of Mrs. Clarke.

It was decided then that the 4-H's would run this club on their own with the adults assisting in any major problems arising.

They also decided that meetings would be held at the homes of members, so that achievements made by the 4-H's could be more realistic in their own setting.

Last years officers were re-elected as follows: Pres. Anthony DeTorto, Sec. Mary Ann Burns, Treas. Joyce Walden.

This club has three junior leaders to guide the 4-H's. In order to become a junior leader one must have been the 4-H Club for three years.

The next meeting will be held on Feb. 16, at the home of Pres. Anthony DeTorto on Burlington Ave.

There will be a luncheon and Blitz party held at St. Dorothy's Hall on Thursday, Feb. 12 to aid the Building Fund, with Mrs. George Szadis in charge.

There will also be a whist party at the hall on Friday, Feb. 13.

Don't forget their weekly Blitz parties held each Tuesday.

Friends and neighbors will be glad to hear that Mrs. Sadie Geldard of Cook Ave., has returned home from the Beth Israel Hospital after an operation.

May we wish her good luck, and a speedy recovery.

Legion Post #136 of Wilmington are planning to stage a kick-off membership drive between Feb. 15, and continuing through to March 15. If all eligible veterans have not been contacted by that time, the time will be extended indefinitely.

OVER 350 IN ATTENDANCE AT BOY SCOUT SERVICE

At the service of worship held in the Wilmington Methodist Church on Boy Scout Sunday, February 8, over three hundred and fifty cub scouts, boy scouts, sea scouts and adults attended the service of worship. Seventy-five of this number were scouts from the packs, troops and ship of the community. Many of the committeemen, den mothers and leaders attended with the boys. Color bearers represented each group and led the scout procession into the church building.

The cubs were led in the Cub Scout Oath by Edward Thomas and the Boy Scouts were led in the Boy Scout Oath and Law by Herbert Higley. Arthur Milley was in charge of organizing a preparing the procession for marching into the sanctuary.

The Rev. Richard Harding, pastor of the Methodist Church preached on the theme "A Scout Is..." during which he stressed three of the scout laws, Loyalty, Kindness and Reverence. The boys recessed at the close of the service to the hymn "Onward Christian Soldiers". The members of the worshipping congregation were certainly proud of the spirit of reverence the boys exemplified during the worship service which was attended by boys and adults of the Jewish, Roman Catholic and Protestant Faiths.

LITTLE LEAGUE--1959

There will be an important Little League meeting on Wednesday, February 18th, 8 p.m. at St. Dorothy's Hall, Thompson Grove, on Main Street.

This will be the first meeting of the year and all male adults interested in taking part in this program are urged to attend.

MEN: You don't need to have a son in Little League. If you like the game of baseball and want to help the boys of our town, then please make a note of the time and place and attend the meeting.

D.A.V. - AUXILIARY HI-LITES

On Jan. 7, I wrote an article in this paper asking the public for donations of men's and women's clothing, also slippers which are cleaned. Clothing should be cleaned and pressed also. They are needed for our veterans in the V.A. Hospitals.

There has been no response. I am asking you again to remember our men and women in these hospitals. They need our help.

All who wish to donate, may contact Hospital chairwoman Annie Meade of 51 Aldrich Rd., OL8-2840.

Jan. 20.

Funeral services were held for Katherine Esther Crehan, a Charter Member of the 106 Auxiliary. Honor Guards at the funeral were: Rose Gatta, Mary Starr, Nan Marlin, Annie Meade and Mary Galvin.

Jan. 31.

The Auxiliary were to hold a Smorgasbord supper at Chapter 21, D.A.V. in Medford. Because of the big fire across the street from the hall many people from Wilmington were forced to return home. The Smorgasbord was given out to the firemen which was greatly appreciated.

On Feb. 12, auxiliary 106 will hold their regular meeting at 8:15 at the hall. The next social for the following month will be discussed at this meeting. All members are urged to attend.

"PLYMOUTH FOR '59 IS THE BEST CAR OF THE LOW-PRICED THREE"

says famed Tom McCahill of

MECHANIX ILLUSTRATED

"Plymouth for 1959 is the best car of the low-priced three, in our hard-headed opinion, and we've tested all of them," writes Tom McCahill in the November issue of MECHANIX ILLUSTRATED. "The new model retains its top quality ride, the best in its field, and it may prove to be the only '59 car which has actually improved performance... the looks of the new Sport Sedans are tops..."

CUB SCOUT PACK 58 WILMINGTON

On Jan. 30, pack 58 held their monthly meeting at the Silver Lake Betterment. The meeting was opened by Mr. Bielecki, the committee chairman. Mr. Carl Bishop of Tewksbury, our new cubmaster was unable to attend the meeting. The boys and their parents are looking forward to meeting him officially at the Blue and Gold Banquet.

Mrs. Byette lead the boys in singing "God Bless America". Awards were presented to the following boys: Bobcat, Joseph Wowk, Bear Badge, John Shemkus Robert Hand, and Edward Hill. Lion Badge, Don Atkins; Gold Arrow, Robert Hand; Silver Arrow, Ronald Wheatley; 1 year pin, William Wilson, John Shemkus, and Robert Hand; 2 year pin, Kevin Carney; 3 year pin, Paul Cote; Denner Stripes, Donald Godfrey; Ass't Denner, Thomas Labo, and, Robert Leverone.

In keeping with the Theme of the Month, News and Newsmen, skits were done by the following dens: Den 1 (Mrs. Byette and Mrs. Labo); These boys invited the audience into the pressroom of the Blue and Gold Banner to witness the printing of their monthly headlines for the pack.

Den 3 (Mrs. Bielecki and Mrs. Wilson); an exceptional skit was presented on wide, wide world, depicting newsmen and the news as it was being made. Den 4 (Mrs. Masse and Mrs. Walsh) The boys presented a trophy to Mrs. Leverone, Den Mother of Den 7, for her exceptional work as Publicity Manager for our Pack for the past year. Mrs. Leverone's appreciation of this thoughtfulness was certainly shown in her facial expression as she accepted the award.

Den 7 (Mrs. Leverone); This den presented the famous first words that were given over different means of communications from the beginning of newspapers and newsmen. Den 8 (Mrs. Wheatley and Mrs. Hamlyn); This group of boys gave a skit about future news to come, and a cute little fellow stole the show as Dorothy Killgalen.

Between skits games were held under the leadership of Bud Byette, assistant chairman and Tom Labo, committeeman. Parent participation in these games made for a merrier time. We are sorry to have Mrs. Riley leave us. She was the Den Mother for Den 2. The boys will miss her as will all of us.

A Blue and Gold Banner for Parent Attendance was awarded to Den 7. This was accepted by the boys Den Mother, Mrs. Leverone.

Collections are being made this month by each Den to help the World Wide Friendship Fund.

The meeting was closed with the boys forming a living circle around the Den Mothers, saying the Cub Scout Promise, Law of the Pack, and singing "Good Nite Cub Scouts" to the tune of "Merrily We Roll Along".

February 7-13 is officially Boy Scout Week. Boys wear your uniforms to the Church of your choice and to school each day.

Announcements were made about the Blue & Gold Banquet to be held on Saturday, Feb. 21 at 7 p.m. at the Silver Lake Betterment Hall. The menu will consist of ham, baked beans, cole slaw, rolls, ice cream, cupcakes, milk and coffee. We hope to see you all then.
